LORETTA A. PRESKA, U.S.D.J.:

On August 5, 2008, Magistrate Judge Dolinger issued a Report and Recommendation denying the Commissioner's motion to dismiss on the pleadings and recommending that the case be remanded for further consideration and administrative proceedings, as described therein, to determine whether Plaintiff is entitled to disability insurance benefits under the Social Security Act and, if so, in what amount. (Dkt. No. 16.) Objections to that Report and Recommendation were due on August

25, 2008. Having received no Objections, and finding Judge Dolinger's decision to be well-reasoned and thoroughly grounded in the law, his Report and Recommendation is hereby ADOPTED.

SO ORDERED:

DATED: New York, New York
January 6, 2009

LORETTA A. PRESKA, U.S.D.J.
